8th Annual Meet of the Australian Camper Trailer Group

The Organising Committee,

I am corresponding to thank the Australian Camp Trailer Group and its organising volunteers for choosing to hold the 8th Australian Camper Trailer Group National Meet in 2012 in our great town, Wellington New South Wales.

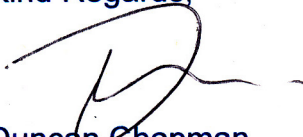

On behalf of the Wellington Lions Club, The township of Wellington, and the many local businesses and tourist attractions that you have visited and have financially supported during your visit to our town I offer you my sincerest thanks.

I genuinely hope you and your fantastic group of campers have enjoyed your time, your visit to Wellington and the many attractions in our local area as much as the Wellington Lions Club have enjoyed the privilege of hosting such a fun and sociable group of camping enthusiasts.

Finally on behalf of the Wellington Lions Club we thank you for the financial support of your group through the various opportunities to raise funds for our great organisation and I can assure you that the funds will be used to improve the life of many of our local townfolk in the spirit of Lions Clubs International.

Again I sincerely thank you for allowing us the honour of meeting and hosting such a fantastic group and we would always cherish the opportunity to remain in touch in the future.

Kind Regards,

Duncan Chapman
President
Wellington Lions Club
