

PROGRESS UPDATE **For Friends and Sponsors**

Dear: CAMPDEN TALKER **An Invitation To See The Progress Our Town Has**
MEMBERS **Made At Gulgong Holtermann Museum**

We are pleased to announce that the project is in the final stages of construction with the theatre and workshop space now being roofed. We have had tremendous community support with fund raising and a state government grant enabling us to complete the construction of the main exhibition spaces, along with the research lounge and creation of a unique courtyard featuring a life-size Holtermann Photograph and a re-created goldfields building.

This beautiful courtyard with a replica of Sam Hand's Boarding House façade behind the Greatest Wonder building is something to behold.

Externally we are now completing the front facades of our heritage buildings and the finishing touches to toilets, pathways, landscaping, disabled access and fencing are all but complete.

FINANCES

With Stage Two nearing completion, we continue to raise funds for the final Stage Three.

This stage is the design and setting up of the exhibitions and interactive entertainment to create a truly world class educational and tourist destination for the shire.

This will allow visitors young and old to view and interact with the world renowned Holtermann photographs utilising the latest technology.

You and our community have helped create a million dollar project that will benefit our town for generations to come.

Please Join Us

We are very grateful for your sponsorship and ongoing support and would dearly love to show you what we have achieved together as a community with your help.

You are invited to join us at 123 Mayne Street Gulgong on June 1st between 4 and 5 pm

For a Special Friends Of Holtermann Tour and Update to see first hand this exciting new project's beginnings.
